Washington, D.C.

Season Spring 1935.

Two Year Field Grown Rose Bushes

BUDDED LOW ON MULTIFLORA JAPONICA --- SHORT YOKES.

For shipment now, or later, as desired.

NEW PRICE LIST SPRING 1935.

This list contains a large number of varieties, and cancels all previous lists sent out by us. You may deduct 10% from this list for all orders sent in during January, but no discounts will be allowed after January 31st. No discounts of any kind will be allowed except this 10% in January.

DIGGING ROSES NOW

At the time this price list goes to press (Dec. 30th) we are about through digging our entire rose crop. We have a fine lot of roses, and lots of them, in over 300 varieties, but, the unusual demand for roses, together with short crop make higher prices later on inevitable. Choice varieties will soon be sold out completely. Be protected; order now.

LAST PRICE LIST

This is the last price list we will issue this season. Keep it for reference. All price lists sent out previously are herewith cancelled.

EARLY ORDERS

The sooner you place your order, the more likely you are to get the exact variety you want, in grade desired. Delay is going to be costly this year.

TIMELY WARNING

Roses are going to be exceedingly scarce, and very much higher soon after the first of the year. We urge our customers to buy their requirements **NOW**. Do not delay. Make out your order right now for what you think you will need, and mail to us with your remittance, and we will hold order in cold house until you want them shipped, any time up to May 1st, 1935. Deduct 10% from this list for orders sent in during January. Positively no other discounts deductible. No order accepted unless accompanied by remittance.

POT ROSES for EASTER and MOTHER'S DAY

Plant freely of the choice Polyantha roses shown on **PAGE 7** of this folder. Force them into lovely pot plants for Easter and Mother's Day. Plenty of profit in this, and they make the most satisfactory pot plants because they may be planted outdoors after used as pot plants, and continue for years to be a source of delight. Plant at once.
